## ABOUT US

Golden Control Systems with its Auto Electrical Products under the Brand AGNI started in the year 1996 completing 28 glorious years with over 500 products including Heavy duty headlamp relays, ACC relays, Solenoid relays, Starter relays, Heater timers, Melody makers, Heavy duty horn relays, Flashers, CDI units, Converters, Wiring harnesses, LED lights, Tail light assemblies, Side view mirrors, Auto cables and Buzzers among others.

We have always strived to stay abreast of the changing needs of the market and have constantly been in pursuit of quality and customer satisfaction. AGNI high quality waterproof relays has earned the trust and praise of auto electricians. Our relays ensure high quality at each stage through a very precise operating system. The quality and durability of our relays has been proven beyond doubt. The AGNI 80A Heavy Duty Headlamp Relay holds the number one spot in all-India quality. The needs of auto electricians across India and their endorsements with the sincere support of dealers and distributors have been our greatest strength. We are on the verge of introducing a range of new products and new marketing strategies as the company is on the path of growth in search of new horizons.

## OUR VISION:

Revolutionize road journeys with innovative quality products in each vehicle for an unforgettable experience.

## OUR MISSION:

To become pioneers in quality and power the vehicles by providing sustainable automotive solutions through research, education and innovation with the collaborative effort of our business associates; our distributors, dealers, auto electricians and the in-house team in a healthy working environment.

## OUR VALUES:

Golden Control Systems is operating according to ISO 9001-2015 standards. We at Golden Control Systems have always believed in the motto, "Your Happiness is our Success," thereby giving great value to relationship and trust building. Our aim of sustained improvement and long-term success depends on providing mutually profitable relationship with our associates and providing end customers with good quality products. In Golden Control Systems, all personnel are responsible for their work with great work ethics and high grade systems in place ensuring the best quality and standards required. Customer feedbacks and complaints are given topmost priority and prompt action taken to address and ensure product quality and delivery.

## OUR ACHIEVEMENTS:

In 2018, the company won the Best First Line Enterprise Award from the Honorable Chief Minister of Kerala State, Shri. Pinarayi Vijayan and Gold Card Award from the Finance Minister, Shri. Thomas Issac. In the same year, the company was conferred with the award for the Best Project from the Asamanoor Grama Panchayat. Another feather in the crown was the 2020 Navaratna Business Excellence Award given by the Chittilappilly Foundation. Every award and recognition has made us all the more responsible to work towards achieving our Vision and Mission.
